FLORIDA FACTS

Unmatched quality of life

Climate and culture, food and diversity, education and low cost of living are the perfect ingredients to a high quality of life in Florida

Booming tourism industry

The state's booming tourism industry offers great business opportunities as well as a dynamic, growing market for companies

Palm Coast is uniquely desirable business location for restaurants, hotels, and other hospitality industry businesses.

Hospitality industry companies benefit from Flagler County beaches, located just minutes away from Palm Coast, which are increasingly drawing tourists to our city's golf courses, parks, and waterfront recreation. In 2022, Flagler County had over one million visitors.
